### Parish Council Church of the Holy Family

At the last meeting of the Parish Council the hope was to find a coordinator and a Sunday in October. To date a coordinator has not been identified. No one present at this meeting was able to take on coordination of this event. October 4 and October 10 were both proposed dates, but there are conflicts for both. October 18 is a possibility, but still need a coordinator. Without a firm date set and a coordinator identified, it seems that it may not be possible to pull off this event this year, but something to encourage more people to join ministries is still needed.

Discussion transitioned to other possible social events such as a tailgate at a UConn game.

To address the survey feedback on more social events a quarterly potluck was suggested. Susan Magoon will contact the Haiti Ministry to see if they would like to set up a table with gift baskets for fundraising. It was also suggested that new parishioners be personally invited to potlucks. Jim will check with Roger on the calendar for what Saturday nights would work after 5pm mass.

**Survey** - A general summary of survey results was sent in the spring. It's now time for another thank you for participation and communication of more specifics on what will/is being done to address survey feedback. Megan had started categorizing the survey feedback so it could be provided to the appropriate ministry/committee to be addressed. Jim also categorized results as he reviewed the survey results. Megan will finish categorizing and email to the PC. Jim will share his categorizations as well. Father Michael commented that everyone on the Parish Council needs to read the survey results. Megan will send out the results again in case anyone has misplaced from last spring. The survey was a joint effort between Holy Family and Saint Columba. The Saint Columba parish council will have their first meeting September 9. We need a point person from Saint Columba for the survey response effort. Megan will contact Kathy Hamilton to make sure this item is on their agenda. Mark, Richard, and Joe are interested in serving on a survey sub-committee. Megan will finish categorizing results and send back to the Parish Council by next week. Jim will also send out his thoughts on categorization. Next steps will be to provide the categorized feedback to appropriate committees and then create a communication with responses - for example comments on Adult Education to the Liturgy Committee - one of the responses could be next Faith Formation series on Joy of the Gospel.

**Social Outreach** - Susan let us know that on September 19 at noon there will be a luncheon for grant recipients. All Parish Committee members are all invited. The recipients will speak about where money is spent. Susan will send out a notice to Parish Council members for RSVP's.

**Ambassador Program** - Richard Potticary & Michael Ciarrocchi have been identified as ambassadors to start the program. Susan and Liz also expressed interest in serving as ambassadors. Dottie wants to tie in with the welcoming committee. Father Michael has list of who would like to participate from Saint Columba. They plan to have initial meeting this month to establish base guidelines for the program.

Closing Prayer
